Future Force/Gates Millennium Scholar Complete Bachelors Studies

Neighborhood Leadership Initiative, Inc. is pleased to announce the graduation of Future Force scholar and Gates Millennium Scholar, **Willie Mae “India” White** from the University of Florida Sunday, May 16, 2007. India received a Bachelor of Science degree with a major in Mathematics and a minor in Music.

“India’s graduation from college demonstrates how we as a society can come together and create opportunities for all aspiring students to pursue some form of post-secondary training, if there is the will” says Cynthia Newell, founder of Future Force, “India’s mentors are to be applauded for continuing to nurture her social and academic achievements.”

India will continue her graduate studies at the University of Florida. She is a 2003 graduate of Sarasota High School, Sarasota Florida.
